

Brian Petersen – BP Group Inc. – Ancaster, Ontario

The relationship between The Holst Equation and BP Group goes back to before the time when Sandi started the company. Her interaction with us in those days established a connection that would prove to be crucial when Sandi made the break and started The Holst Equation.

As bookkeepers, Sandi and Herb and the staff are an absolute pleasure to work with. Client files entrusted to them are taken care of in quick and efficient fashion. The finished product that comes to us is ready for me to do my work as the accountant.

I wish Sandi and Herb all the best for the future and look forward to our continuing business relationship.
